Committee: Committee to Re-Elect Linda Sanchez (C00384057)

Mr. Matheson,

We write in response to the Commission's letter dated August 24, 2012, regarding the Committee's Amended April Quarterly 2012 Report.

The Committee amended its April Quarterly report and disclosed additional disbursements that were inputted into its database incorrectly, and therefore, did not pull up on the report when originally submitted. This error in the software has been fixed.

If you need any further information, please contact the Committee.

Respectfully,  
Jennifer May  
Treasurer
